Dear Parents,

This is a reminder that from September 2020, when your child goes into Year 3, Universal Free School meals will cease.

If you believe that you could be entitled to free school meals, you will need to go to the Essex County Council website, search for free school meals and make an application. This must be completed before the start of the new term. We would advise you to do so now to avoid delayed benefit.

Please note that from September, unless we are notified that you are entitled to Free School meals, all meals taken will be charged at £2.20 per day.

Payment for these meals now has to be paid in advance and not in arrears. If your child orders a meal and it has not been paid for then you will be contacted and asked to bring a packed lunch to school for them.

Thank you.
