Dear Parents/Carers,

RE: Year 6 Trip to Crucial Crew – Tuesday 24th March 2020

This year we have been lucky enough to secure a place with Basildon Community Safety Partnership who are running a workshop called Crucial Crew. One of the key focus areas for Basildon is the early intervention and prevention to reduce the number of people who are affected by crime. The children will take part in some different scenarios, which will improve their overall awareness and understanding of possible risks they may face in their life and help them to make better, informed choices to stay safe. It is a fantastic programme, and one that St Teresa's School has been part of for the last five years so we are looking forward to attending again this year.

The event is being held during the morning at **Wat Tyler Park**. Your child will need to be dropped at the venue between 8.45-9.00am and will be meeting Mrs Darby, Mrs Gannon and Mrs Fuller there. Please return the slip below to acknowledge that you have organised somebody to drop your child at Wat Tyler in the time stated above.

The event finishes at 12.15pm, and then Year 6 will be walking back to St Teresa's. We will arrive back after school lunch, so please provide your child with a packed lunch, a drink and two snacks (one for break time and one for just before we walk back to school). Please also ensure that your child has a coat in case it is cold and wet.

Yours sincerely

Miss Hopkinson
