

Literacy homework Friday 27<sup>th</sup> November 2020

This week the children have been learning to read and spell the words in the box. Please check your child can read and spell them. If there are any that they are unsure of please practise them at home.

Write the words under the pictures - The children should be able to show you how they 'chop' the word into its phonemes (sounds) to help them spell it. We do this everyday in school so they should be able to show you how they do it. Then see if your child can write a sentence (or more about the pictures).

Your child may wish to draw some pictures of their own below and label them - this is optional and not all children may wish to do this.
