Prepositions

A preposition is a type of word which shows one noun's relationship to another. The following words are all prepositions:

above, across, against, around, at, before, behind, below, beneath, beside, between, by, down, in, inside, into, near, of, off, on, under

Underline the prepositions in the following sentences.

- The cat sat on the mat.
- Fred went inside his house.
- The chicken walked across the road.
- The bee landed on the beautiful flower.
- The police car chased the robbers through the street.

Can you think of three examples of prepositions of your own?

1. _____

2. _____

3. _____

Create some sentences of your own using prepositions. Underline the preposition you have used in each sentence.
