Dear Parents and Guardians

At this time of year, as Governors of your child's school, we usually send you a report about our work over the past year.

As you will understand, this year that work has been dominated by the coronavirus pandemic, which has caused great disruption to all schools.

Governors have visited school only when unavoidable, and have continued our usual meetings remotely, doing what we can to help the school continue to provide the best education and experience possible to all the children.

On behalf of ourselves, all the school staff and everyone who helps the school, we sincerely thank our parents and guardians for all you have done to support your children and the school under these very difficult and sometimes worrying circumstances.

We pray for a safe, peaceful Christmas for you and your families, and that our next report to you will once again be about an academic year full of work, progress, achievement and fun.

As always, we ask for any feedback or suggestions.

With every good wish.

St Teresa's Local Governing committee:
