Dear Parents,

Following last night's announcement, we will continue with Home learning for the majority of pupils until half term, following government guidance. The progress of the virus means that we are now at the point where everything possible has to be closed in order to reduce mixing and transmission.

This is far from an ideal situation but we must follow government guidelines and stay closed. We know home learning will have an impact on progress so we are doing the best we can to deliver core subject lessons daily. As a school we purchased and installed Microsoft Teams as this was the online platform supported by the DfE. On Monday there were issues with Microsoft hence the inability to deliver home learning effectively. We thank you for your patience and support.

We understand it is not always possible to watch and join in with live lessons especially if you are sharing electronic devices or you are working from home and cannot support your child during your working times. We are grateful for as much as you can do with your child.

The main school office will be opened from 8-10.30am daily. If you need to contact the office outside of these hours, please leave a message or email office@st-teresasrc.essex.sch.uk and someone will get back to you as soon as possible.

Below are the timetables for each year group's online learning sessions. Please remember most sessions are recorded so you can access them when convenient alongside PowerPoints and worksheets. Thank you in advance for your support

Mrs Cashell
