### 1. Aims

We are committed to meeting our obligations with regards to school attendance by:

- Promoting good attendance and reducing absence, including persistent absence
- Ensuring every pupil has access to full-time education to which they are entitled
- Acting early to address patterns of absence

We will also support parents to perform their legal duty to ensure their children of compulsory school age attend regularly, and will promote and support punctuality in attending lessons.

### 2. Legislation and guidance

This policy meets the requirements of the [school attendance guidance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- Part 6 of [The Education Act 1996](#)
- Part 3 of [The Education Act 2002](#)
- Part 7 of [The Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006](#) (and [2010](#), [2011](#), [2013](#), [2016](#) amendments)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

This policy also refers to the DfE's guidance on the [school census](#), which explains the persistent absence threshold.

### 3. Roles and responsibilities

#### 3.1 The governing board

The governing board is responsible for monitoring attendance figures for the whole school on at least a termly basis. It also holds the headteacher to account for the implementation of this policy.

Our link Governor for attendance is Mrs C Jones. Mrs Jones can be contacted via the school office.

## 3.2 The headteacher

The headteacher is responsible for:

- Implementation of this policy at the school
- Monitoring school-level absence data and reporting it to governors
- Supporting staff with monitoring the attendance of individual pupils
- Issuing fixed-penalty notices, where necessary
- Meets with parents to address attendance issues

## 3.3 The attendance officer

The school attendance officer:

- Monitors attendance data across the school and at an individual pupil level
- Reports concerns about attendance to the headteacher
- Works with education welfare officers to tackle persistent absence
- Advises the headteacher when to issue fixed-penalty notices

## 3.4 Class teachers

Class teachers are responsible for recording attendance on a daily basis, using the correct codes, and submitting this information to the school office.

## 3.5 School administrative staff

School administrative staff are expected to take calls from parents about absence and record it on the school system.

# 4. Recording attendance

## 4.1 Attendance register

We will keep an attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes.

We will keep every entry on the attendance register for 3 years after the date on which the entry was made.

Pupils must arrive in school by 8.55 am on each school day.

The register for the first session will be taken 8.55 am and will be kept open until 9.00 am. The register for the second session will be taken at 1.00 pm and will be kept open until 1.05 pm.

## **4.2 Unplanned absence**

The pupil's parent/carer must notify the school on the first day of an unplanned absence by 8.45 am or as soon as practically possible (see also section 7).

If we do not hear from parents or carers and a child is absent, we will, in the first instance, call to enquire about the child. If we are unsuccessful in making contact with the parent/carer by telephone we may carry out a home visit with two members of staff in order to satisfy ourselves that the child is safe.

We will mark absence due to illness as authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask the pupil's parent/carer to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance.

## **4.3 Planned absence**

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

## **4.4 Lateness and punctuality**

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

## **4.5 Following up absence**

Where any child we expect to attend school does not attend, or stops attending, the school will:

- Follow up on their absence with their parent/carer to ascertain the reason, by making first day calls, as details in 4.2 above, and if necessary a home visit will take place.
- Ensure proper safeguarding action is taken where necessary; this may informing social care.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use

## **4.6 Reporting to parents**

Your child's attendance is recorded on mid-year and end-of-year school reports. The minimum expectation is for children to attend 96% of sessions. Anything below this benchmark is unacceptable. If your child's attendance drops below this and the absences are unexplained or are patterned, parents/carers will be invited to a meeting with the headteacher to discuss improving attendance.

## 5. Authorised and unauthorised absence

### 5.1 Approval for term-time absence

The headteacher will only grant a leave of absence to pupils during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the headteacher's discretion.

We define 'exceptional circumstances' as extreme family circumstances, such as bereavement.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

Valid reasons for **authorised absence** include:

- Illness and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong.
- Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh Gypsies, Irish and Scottish Travellers, Showmen (fairground people) and Circus people, Bargees (occupational boat dwellers) and New Travellers. Absence may be authorised only when a Traveller family is known to be travelling for occupational purposes and has agreed this with the school but it is not known whether the pupil is attending educational provision
- All decisions are made in line with local and national guidelines and at the headteacher's discretion.

### 5.2 Reducing persistent absence

Absence from school is taken seriously as it has such a negative impact on progress and attainment. If we have concerns about your child's absence you will receive a letter from school informing you that your child's attendance is falling below acceptable levels. You may then be invited in for a meeting with the headteacher when a plan to improve attendance is put in place. All absence is monitored closely.

### 5.3 Legal sanctions

The school or local authority can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a fine, or penalty notice, each parent must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

Penalty notices can be issued by a headteacher, local authority officer or the police.

The decision on whether or not to issue a penalty notice may take into account:

- The number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded pupil is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

## 6. Strategies for promoting attendance

Pupils at St Teresa's are rewarded for good attendance and punctuality, and awareness of its importance is highlighted at weekly achievement assembly with the award of Attendance Ted to the class with the best attendance of the week, and Punctuality Pup who is awarded to the class with the fewest lates registered. End of term awards are given to individuals with outstanding attendance and punctuality.

## 7. Attendance monitoring

The attendance officer at our school monitors pupil absence on a monthly basis.

A pupil's parent/carer is expected to call the school in the morning if their child is going to be absent due to ill health (see section 4.2).

Dependent on the individual circumstances, but in general, if a pupil's absence goes above 5 days, the school will contact the parent/carer of the pupil to discuss the reasons for this.

If a pupil's absence continue to rise after contacting their parent/carer, we will consider involving an education welfare officer.

The persistent absence threshold is 10%. If a pupil's individual overall absence rate is greater than or equal to 10%, the pupil will be classified as a persistent absentee.

Pupil-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average, and share this with the governing board.

We use our Management Information System to collect attendance data daily. It allows us to generate reports on attendance and identify developing trends in order to offer support before attendance drops below threshold levels.

## 8. Monitoring arrangements

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum every 2 years by a member of the Leadership Team. At every review, the policy will be approved by the full governing board.

## 9. Links with other policies

This policy links to the following policies:
