

I have carried out lesson observations this week and am delighted to say children's learning is exceptional and they demonstrate commitment to learning. Children and staff are trying so hard to catch up and close critical learning gaps created during lock down. We have a tight curriculum in place to make sure this happens.

Please ask your child about our learning behaviour men.

Mr Proactive

Mr Confident

Mr Motivator

Mr Independent

Mr Perseverant

Mr Resilient

Date for the Diary

3rd June

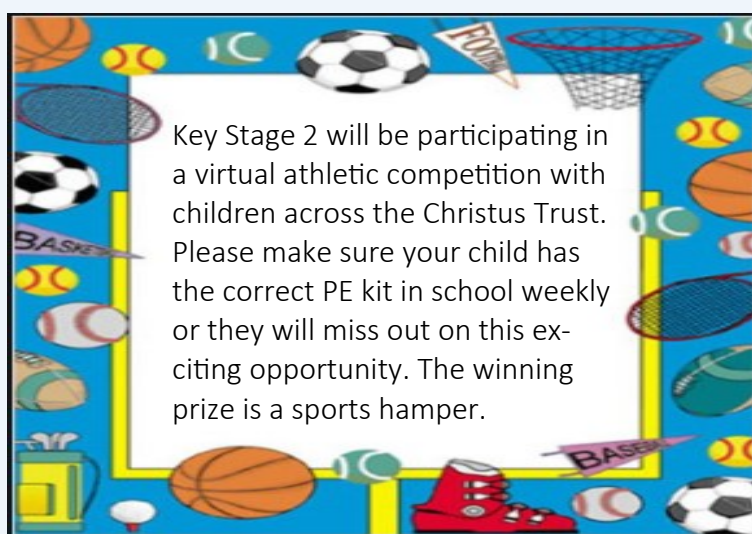

Non Pupil Day

Vocabulary Vessel—Staff and Children are trying to extend their range of vocabulary. Please discuss with your child the words of the week.

Retrieve, Construct and Tentative

Prizes are given weekly for pupils who demonstrated the ability to use the new vocabulary in written work. This week every child in Y5 got a prize for extending their vocabulary. Well done Y5!

RSE Curriculum

The Diocese have updated guidance on how Catholic Schools teach Relationship Sex Education. The curriculum and policy documentation are attached. Please contact Mrs Cashell if you have any questions.

School Uniform

Please note if girls are wearing a summer dress they cannot wear tights. White socks must be worn. If you think it is too cold for socks put the winter uniform on but don't mix and match summer and winter uniform. There is also an issue with trainers. Trainers are not part of the school uniform. From Monday, if a child wear trainers rather than school shoes to school, they will be issued with a pair of plimsolls to wear during the day until school shoes can be purchased.

We are still running our much needed food bank. If you would like to donate a tin or a packet of toiletries we are having a special donation day on Friday 30th April when children can donate.

Happy St George's Day
