

As we come to the end of our first full half term since lockdown, I must thank my staff for working tirelessly to close progress gaps and get things back to normal.

Children have embraced challenges they faced, have worked extremely hard and have also supported each other.

May is the month of Mary

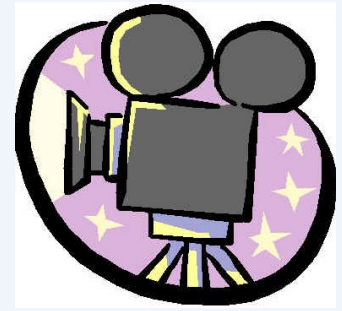

On Monday, we held an extra special assembly in the place of our usual May procession. Although we missed holding the procession, the assembly was a prayerful tribute that honoured Our Blessed Lady. Thank you to all the families who sent in flowers and helped to make the celebration extra special.

School Council are keen to spread understanding of the need to preserve the environment. They would like children to design a poster over half term depicting anything that would help the planet, such as saving electricity, recycling, saving water the list goes on! A poster from each class will be selected and the School Council will be awarding a prize to each class winner.

Our School Council have been surveying the children about their preferred choice of school lunch and in response to their findings there will be a change in menu next half term. Menus will include a themed day every two weeks. New menus will be sent home and will be on the school website.
WEEK ONE ONLY: Tuesday's lunch will be pizza, not meatballs.

We will be holding a film night on Thursday 10th June, from 3pm until 5pm. It will look a little different, as each class will stay in their own classroom. Hot dogs and drinks will be served as previously, but class bubbles will be maintained. Please complete and return the form by Tuesday 8th June along with payment. Monies raised will go towards the cost of re-stocking the school library with new and exciting titles.

With the easing of lockdown restrictions, families can take holidays again.

We will not be authorising holidays during term time, as per local authority guidance. If you are planning a holiday please do so for during the school closure. School will close for summer on 22nd July and will re-open on Monday 6th September.

Vocabulary Vessel

Encourage your child to use these words that have all been words of the week so far.

adjacent, carbon foot print, climate, compassion

Then there appeared to them divided tongues **AS OF FIRE** and one set upon each of them. (Acts 2:1)

Dates for the Diary

Half-Term Closure
Monday 31st May—Friday 4th June

Non Pupil Day
7th June

Film Night
10th June
