

## Holy Communion Celebration

On Saturday, June 15th, the students of St. Teresa's Catholic Primary School celebrated an important milestone in their faith journey by receiving the Holy Communion at St. Basil's Church. It was a beautiful and joyous ceremony attended by proud families and school staff.

The church was filled to capacity as our students processed down the aisle, their faces beaming with excitement. Fr. Sabu, our parish priest, presided over the Mass along with a visiting priest from his order in India.

We congratulate all our First Communicants on this sacred occasion! Through preparation classes, they learned about the significance of the Eucharist and its real presence. Now they can fully participate in this pillar of the Catholic faith.

A special thank you to Fr. Sabu, the catechists who prepared the children, and all the families and parishioners who made this day so special.

May this Holy Communion be the first step in a lifelong journey of faith and devotion for our students. We pray they will continue to be shining examples of Christ's love, acceptance, and respect in the world.

We are immensely proud of you.

### SPORTS DAY SUCCESS

Sports Day, was an absolute success. The children showcased their athletic abilities with enthusiasm and sportsmanship, making us all proud. A special thank you goes to Rhys, our PE coach, for his meticulous organisation and coordination of the event. We are also grateful to our Year 6 students, who provided invaluable support to the younger children, and to the parents and loved ones who attended and cheered on our young athletes.

It should also be mentioned that we were fortunate to have favourable weather conditions, which added to the overall enjoyment of the occasion. Despite the unpredictable nature of the weather lately, the sun shone brightly, allowing us to make the most of this event!

## Reminder: Parking

The road opposite the school has many houses with drive ways. Reminder: Please do not block drive ways with your car. This can cause people to be blocked into their house unable to leave or can prevent people from parking at their house. We have continued to have incidents of this occurring.

**Even stopping there for a moment is not acceptable.**

It is not fair on the families that we share our road and community with. Not only this, but we have seen cars pulling up over drives and letting children run out into the road to get to the school gates. As head teacher, I believe that punctuality is of course important. However, I would much prefer that children were slightly late to school than hurt in a traffic incident or parents caught in altercations with residents. Please, do not do this.

## EYFS Collective Worship

Well done for a beautiful class collective worship from EYFS last week! The students celebrated God's creation, shared their learning about the hungry caterpillar, shared prayers and sung a beautiful hymn about how God made each and every one of them.
